## M S U Through Color

The year started for students with freshmen meeting at the camp on beautiful Flathead Lake.

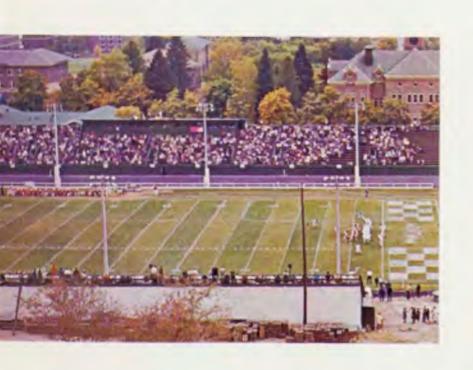

The second week of school saw the pomp and circumstance of Homecoming. The old grads, the football game, and the Homecoming Queen and Princesses were among the many things seen. The very pretty queen for this year was Phyllis Peterson.

MSU vs MSC

The biggest athletic event of the school year is the annual game with Bozeman. The first minutes of the game saw the Grizzlies faltering after two quick Bobcat touchdowns. The Grizzlies recovered to beat Bozeman and the right to possession of the trophy chest for the coming year.

The Miss MSU crown is the most sought after of the many MSU royalty positions. Judging and contests last over a period of a week. The highlight of the event is the final nights judging with its many acts. This year Roberta Tarbox, a Kappa Alpha Theta, was the winning choice.

The most extravagant we decreations and containing mode King Lear the most colorful of the MSU plays in the current votion.

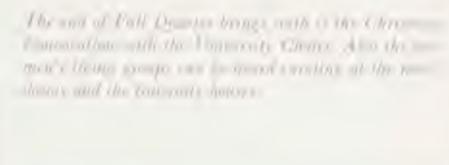

The Forester's Bull is one of the largest metal events during full quarter. The Bull actually begins the week before with the Forester's Consocition and Boundocker's Day, It ends with the Bull on Friday and Saturday nights.

It seemed as though mist covered the campus nine out of ten days this Fall Quarter, but on rare occasions the heautiful colors were lit by the sun.

But most students spend the last few moments of the quarter studying for the coming tests.

When Winter arrives almost everyone stays much except for the weekend sky enthusiasts and a few hardy individuals at summ sculpture time. Backetball is the bir sport during number quarter. This year with a new couch and a rash of injuries, the Grizzlies fored holds

Minimum through weinter quarter, the new apperclass women's darm was apened.

Khase Kimudes Hall's interior besides being functional is also very decorative. It

tenance 240 is some and even has a storage room for turnuls.

With the coming of spring, many sludents thoughts changed from sludies to other subjects. On many a night of serenade for a pointed or engaged got could be heard at one of the women's living groups.

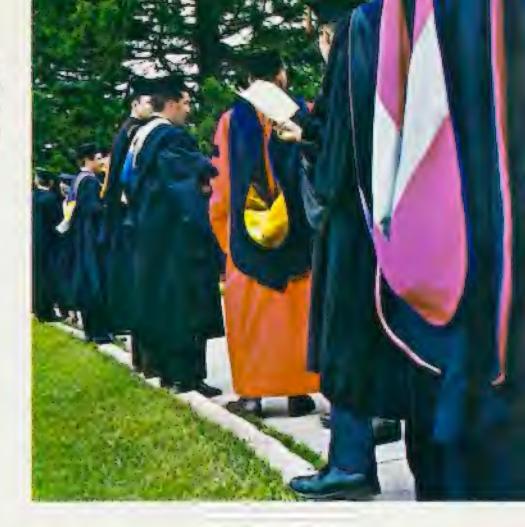

What niver pastime than walking and calking and talking and beautiful spring day of you have a pretty sumpanton

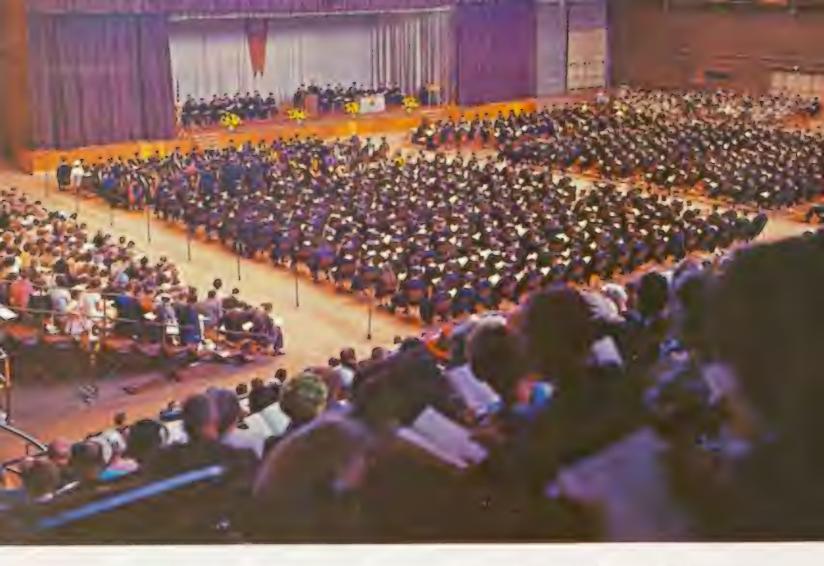

You see many students making the mast of the good weather to studying, sunbathing, or doing any other activity that will keep them outside.

The final step for MSU students, graduation for seniors and summer vacations for the others. The last step in most college sureers.

The start of the large units.

If the recommendation is seen to the state and excited as are than !

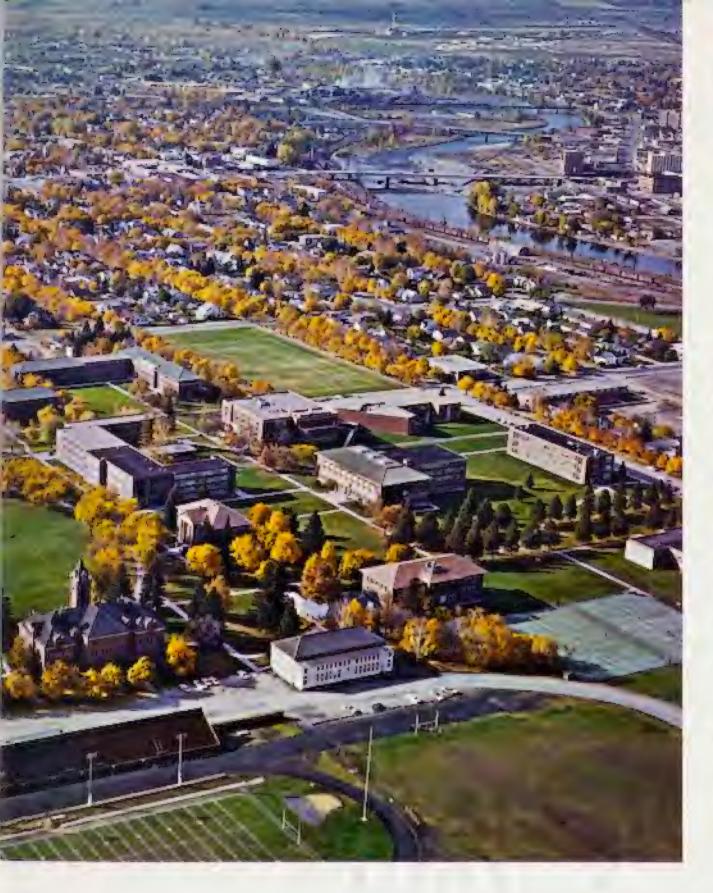

That wor'll let electring dogslie for another year.

Although an independent, Winnie Jones, won the giant notice Delta Gamma girls teamed up to take over nors in the women's halt of the skiing events.

Throughout the winter, the full House team chalked up a 557 workloss percentage to win the bowling title.

Mike Lepole swept past Luckii Ludwig to win the bad minton singles, but Luckii bounced back, and teamed up with Terry Dougan to grab the doubles title ribbon.

In WRA bastetball, it was Turner A over Turner B by one point 11-10. Bamby Beaumont, Sharon Flyon, Gayle Fulton, Marylyn Mowatt, Donna Robinson, Kristy Towe, Kay Spethman, and Jo Wiegner comprised the champion team.

Whether a beginner or an old site, skilling is one of the more popular sparrs at MSU.

Again Turner teak the first place position—This time in bowling, Sharon Ebeling, Shaila Stokes, Kay Spethman, Kristy Towe, and Jo Wiegner toppled the pins to win undefeated.

For the second straight year, the Phi Delt fraternity stale the hospster's title with only one blemish on their 12-1 recard. Tam Sullivan led the boys for high score honor.

Phi Dely, John Miller, tips for two points as everybody gets a hand in the play.

The grappler's turned out in full fotce to see who could handle himself the best in a man's sport. The widents were: (21 fps. Handerton (SPE), 130 fps. Elicit [PSK], 137 fbs. Oko (PSK), 147 fbs. Knudson [SPE] 167 fbs. Zadick (Ind.), 177 fbs. Reichter (SX) 191 fbs. Vogt (Ind), and Hwt, Langsuret (Ind).

I have tried to modernize the style of the book this year with a new type of paper and a free design layout for pictures. I hope that there are not too many mistakes as we tried to double-check every section.

I wish to thank Irving Lloyd and Joe Holly for the division page pictures; Tom duMas for the basic cover idea; and Joe Holly also for his wonderful job on the senior section. Also many thanks to Bruce McGowan, Joe, and Cyrile Van Duser for the printing they did during the summer. I also wish to thank the American Yearbook Company for their patience and prompt service.

John Kelean
